

Friends,

I trust all of you had a good weekend. I hope that all of our families took some time to recharge and get some sun. Taking good care of yourself at this time is critical and we truly hope that all are remaining healthy and well. Thanks also to all of the children who sent us pictures with their pets....they were priceless!

We wanted to let you know that the Distance Learning Page on our web site has been reorganized over the weekend to include some of the [terrific online resources](#) that many people have sent our way. Thank you to those who have shared, these pages are located under "online resources" off of the Distance Learning page. I expect that this page will continue to grow as time goes on.

Additionally, we wanted to make you aware that the K-8 2nd-trimester reports will be coming home via email today. Thanks to Lauren Edzards for continuing to facilitate this critical information while working remotely. Our students continued to impress last trimester and I'm pleased to see their continued eagerness to improve with their studies albeit from afar. Middle School students should look for a separate correspondence from me regarding our planned "Virtual Honors Assembly" to acknowledge 2nd-trimester achievement, hard work, and citizenship.

Please note that once student reports are made available you will again be able to access PowerSchool. Be sure to check your child's daily attendance and let Myrian.Touma@bridgesli.org know if you have any corrections.

Lastly, please note that our teachers will again be introducing their new lessons on Monday-Thursday for the next two weeks with Fridays (3/27 & 4/3) being reserved for student long term assignments, reading and getting caught up for the following week. Students should also expect to see my "Fri-Yay" message and other important information as well. Our teachers will be scheduling their weekly team meetings, individual parent & student correspondence, lesson planning and ongoing professional development during those days. We thank you all for your support as we navigate these unprecedented times.

In peace,

Steve
