TRANSPORTATION REQUEST TO NON-PUBLIC SCHOOLS 2024-2025 SCHOOL YEAR

New York State Education Law requires parents requesting transportation for their children to non-public schools for **September 2024, must apply in writing by Monday, April 1, 2024.** For the 2024-2025 school year, you will be required to complete Deer Park's application process and complete the district's Request for Transportation form. Please complete the form below and upload the document into the student's application, see cover letter for more information. Central Registration will forward the completed form to the Transportation Department. Even if you have only applied for admission and have not yet been accepted, you should file the request. Failure to apply could lead to your child not receiving the desired transportation and/or textbooks for the school year. **Should your plans change after filing this request, notify the Transportation Department immediately at 631-274-4060.**

The Deer Park Union Free School District reserves the right to request verification of legal residence.

PLEASE NOTE: On days public schools are scheduled to be closed in accordance with the school district calendar, the district is **not** obligated to transport to non-public schools. **Under no circumstances will transportation be provided on legal holidays or Saturdays.**

Student Name	Date of Birth	Grade September 2024	Non-Public School	School Address
