maria.maxwell@bridgesli.org

- We will be available to respond to emails Monday-Friday 8:00 am to 3:00 pm.
- Kindergarten teachers will host a live Google Meet each school day at 8:15 am to set up the day, explain morning work, and conduct our morning meeting. Following this the teachers will teach a Foundations lesson along with our Reading Street ELA program.
- We will break for snack, restrooms, and completion of independent work.
- The kindergarten classes will resume instruction with a second Google Meet of the day at approximately 11:00 am. At this time, the teachers will complete daily Math lessons. Instruction of Science and Social Studies will take place on alternate weeks.
- Parents can log onto pearsonrealize.com to access our programs online. Please refer to the letter sent home by the teachers for username and passwords.
- Reading Street will also be available for online access.
- Guided reading will continue through the use of Razkids' online platform.
- Additionally, students can visit abcya.com, abcmouse.com, starfall.com, seussville.com, storylineonline.com for educational games and videos to supplement the curriculum.
- We will post weekly homework as usual on the Blackbaud site including pdf's for easy access.

Please be sure to contact us with any questions or concerns,
Emmy Cammann and Maria Maxwell
